- JQuery - Beginner

## PROFILE

---

A dedicated frontend learner who always finds a way to get the job done. I use my resourcefulness to solve problems and complete projects efficiently. I have a strong interest in frontend development and continually seek to improve my skills. My ability to adapt and utilize available resources ensures that I deliver high-quality results in a timely manner.

## WORK EXPERIENCE

---

**ILCDB - DICT**

JANUARY 2020 - MARCH 2020

On-The-Job Training

- This internship is my first professional experience. We assist the trainees throughout the service, ensuring the smooth operation of the seminars and enhancing our own learning experience. This role allows me to develop practical skills and understand more about ICT related courses.

**Go8 Technology Inc.**

MARCH 2024 - MAY 2024

OJT - Frontend Developer

- This internship experience has been very rewarding. It has expanded my knowledge in frontend development, covering not only web design but also the importance of a smooth user experience and a responsive user interface.
